**NOTE:** Librarians are thankful for our photography / digital image contributions and they will use them interactively during their summer classes. This will be our THIRD digital photography and digital illustrations display. All prints from this show will be donated to our designated charity of Hope & Home, an organization for foster care children. Thank you to Kim Costello at Academy Art and Frame for providing butcher paper & tape for mounting the prints. Check out Automated Photo Technology (1049 Elkton Drive) for good service and prices on prints!
